EARLY CHILDHOOD EDUCATION CENTER

Granny Square Crochet Pattern

ACTS of Love is an early childhood center that serves teen-parent families and we need your help! During the LWML convention, we are asking participants to crochet granny squares that will be used to make baby blankets for the children at our center.

Here is how it will work:

First, visit our booth in the exhibitor area and pick out your favorite yarn. Then, work on your granny square throughout the convention. When you have completed your square, bring it back to our booth and we will stitch it into a blanket. Finally, be sure to visit our booth throughout the weekend to see how the blankets are coming together. It is that simple! Thank you for participating in our sweet little project...happy crocheting!
